For Weihsueh- IARC@50.pptx

Dear Weihsueh,

Thanks for the opportunity to review! Below please find my comments, I also append slides for your re-use/recycling:

Ex. 5 - Deliberative Process

Look forward to seeing you soon!

Best to all,
Kate

Subject: IARC 2016 conference DRAFT presentation - ToxCast/ToxPi and IARC

This is a 10 minute presentation (including questions). Here's my very abbreviated version – much based on the SOT poster and the current version of the manuscript. Martyn Smith speaks before meet about the 10 key characteristics, so I don't need much rehash there.

I'm supposed to send it to them by Monday 6 June – so comments by Friday would be superb!

Regards,

Weihsueh
